

5th ICMCER – 2024

Post Conference Report

5th ICMCER Contributed to Following SDGs

Foreword

Dear Participants,

It gives me great pleasure to share with you the outcomes and results of the 5th ICMCER - 2024 Conference, with the theme of "Transformative Learning for Sustainable Development: Insights from Multidisciplinary Research" which was held in Bangkok, Thailand, on 11th and 12th March, 2024. More than 180 people attended the event in person, and more than 350 people watched the live stream online. We were able to actively engage and reach out to a wider spectrum of research communities.

The 5th International Conference on Multidisciplinary and Current Educational Research (5th ICMCER – 2024) was a vibrant platform that brings together scholars, educators, and researchers from a variety of disciplines. It is a hub for exchanging Education, Teaching, Learning & Assessment, Science, Engineering, Technology, and Mathematics, Arts, Humanities & Social Sciences, Finance Business, Management, Economics and Accounting and diverse educational practices that foster critical and creative thinking, mainly in the business management & studies, education & technology, and engineering & technology fields, and fostering multidisciplinary exchanges among experts in education, science, engineering and technology.

We are grateful for the support of many universities and research institutes, whose contributions were vital to the success of this conference. We extend our sincere gratitude and highest respect to the professors who played an important role in the review process, providing valuable feedback and suggestions to authors to improve their work. We also extend our appreciation to the external reviewers for providing additional support in the review process and to the authors for contributing their research results to the 5th ICMCER - 2024.

1. Conference Summary

Conference Name	: 5th International Conference on Multidisciplinary and Current Educational Research (5th ICMCER – 2024)
Date	: 11th & 12th March, 2024
Venue	: Bangkok, Thailand
Conference Theme	: Transformative Learning for Sustainable Development: Insights from Multidisciplinary Research
Organized By	: Wainganga College of Engineering & Management, India ASEAN Studies Centre, Mahachulalongkorn Rajavidyalaya University, Thailand Institute For Educational Research and Publication (IFERP)
No. of Organizing Committee Members	: 41
No. of Editors/Reviewers	: 18
No. of Speakers	: 8
No. of Abstracts Received	: 401
No. of Participants Registered	: 153
No. of Attendees	: 180

1.1 Conference Overview

5th ICMCER - 2024 was the place where ideas collided and innovations take the spotlight for the contribution towards achieving Sustainable Development Goals! 5th ICMCER - 2024 had long been the meeting place for professionals, educators, researchers, policymakers, and industry professionals looking to network, share ideas, and grow in their respective fields. At this educational conference in Bangkok, Thailand, professionals, academics, researchers, and educators were came together to share their groundbreaking research, and different views, and explore unique ideas from various fields.

Through collaboration, the conference explored intersections between various disciplines and created a dynamic environment to enhance educational discussions and explore diverse studies. This International Conference in Bangkok, Thailand was a part of shaping the future of global education. They continued to inspire, transform, and shape education together. Their participation was more than just an RSVP; it is an important role in our community dedicated to academic success and positive change.

1.2 Conference Theme

The theme of the 5th ICMCER - 2024, was "**Transformative Learning for Sustainable Development: Insights from Multidisciplinary Research**" to provide a lively space where different academic areas in engineering, education and management come together. 5th ICMCER - 2024 is dedicated to sharing the latest knowledge, discoveries, and innovative ideas in the field of Education, Teaching, Learning & Assessment, Science, Engineering, Technology, and Mathematics, Arts, Humanities & Social Sciences, Finance Business, Management, Economics and Accounting with participants. It is an excellent opportunity for expert researchers to discover, publish in top-indexed journals, and get inspiration from experiences shared by industry experts, keynote speakers, and session speakers.

This theme encapsulates the conference's focus on fostering innovation and collaboration across diverse disciplines within, Education, Teaching, Learning & Assessment, Science, Engineering, Technology, and Mathematics, Arts, Humanities & Social Sciences, Finance Business, Management, Economics and Accounting. It encourages participants to explore and present cutting-edge solutions that contribute to the sustainable development of industries, addressing challenges and advancing knowledge for a better future. The multidisciplinary perspective highlights the interconnectedness of various fields in creating holistic and impactful solutions.

5th ICMCER - 2024 Conference brings together researchers, academics, professionals, and students to discuss and share advancements, research findings, and best practices in the field. Topics commonly covered includes Education, Teaching, Learning & Assessment, Science, Engineering, Technology, and Mathematics, Arts, Humanities & Social Sciences, Finance Business, Management, Economics and Accounting and many more.

1.3 Objectives & Scope of the Conference

The primary objective of the 5th International Conference on Multidisciplinary and Current Educational Research (5th ICMCER – 2024) is to foster a collaborative environment where innovation, research, and knowledge converge.

Key objectives include:

- 1. Collaboration and Knowledge Sharing:** 5th ICMCER-2024 is a platform for cross-disciplinary knowledge sharing, encouraging participants to contribute their expertise to the collective pool of global knowledge.
- 2. Innovation Promotion:** 5th ICMCER - 2024 aims to inspire and promote a culture of innovation that can address contemporary challenges and contribute to the advancement of technology and society.
- 3. Networking and Community Building:** The conference serves as a nexus for networking, creating lasting connections that extend beyond the event. 5th ICMCER - 2024 aims to foster a global community dedicated to the pursuit of multidisciplinary research and innovation.

5th ICMCER's core purpose is to globally foster critical thinking and its effective utilization in the field of sustainable engineering and education by providing means to communicate and network among various people, motivated by similar interests. The international multidisciplinary and current educational research conference seeks to facilitate meaningful discussions on current issues, trends, and challenges in sustainability, management, engineering, and technology. By bringing together experts from around the world, the conference aims to foster a deeper understanding of the subject and inspire new ideas.

2. Guest of Honor, Keynote Speakers, Session Speakers, Session Chairs, Exclusive Event Speakers & Panel Discussion Speakers

Guest of Honor

Dr. Fei Zhou

Topic: AI Impact on Educational Research
Panel Discussion Members

11th-12th March, 2024 | Grand Mercure Bangkok Atrium

3. Welcoming & Introduction

Welcome to the 5th ICMCER, Bangkok, Thailand where we gather the brightest minds and the most innovative ideas to inspire, educate, and connect. Before we dive into today's agenda, let's take a moment to appreciate the vibrant atmosphere here at Bangkok, Thailand. This location has been thoughtfully chosen to provide an inspiring environment for our discussions and networking. The theme of 5th ICMCER - 2024 is “Transformative Learning for Sustainable Development: Insights from Multidisciplinary Research”. Our objective is to explore new technologies, discuss emerging trends, foster collaboration, etc. Over the next two days, we

have a packed schedule with Ten sessions, one workshop, one panel discussion and eight keynote presentations from industry leaders and experts. This conference would not be possible without the hard work and dedication of many individuals. We would like to extend a special thank you to our conference managers, academic partners and organizing committee members.

7. Inaugural Programme

The inaugural program of the 5th ICMCER, Bangkok, Thailand on 11th & 12th March, 2024 conference sets the tone for the entire event, providing an opportunity to introduce the theme, objectives, and key participants. The inaugural program included inaugural addresses, proceedings release, Momento ceremony, & Institutional Membership Benefits etc. The inaugural program was a crucial part of the conference, serving to welcome and engage participants, set the context for discussions, and recognize the contributions of key individuals.

8. Conference Proceedings Book Release

5th ICMCER - 2024 Conference proceedings was a comprehensive collection of the papers presented at the 5th International Conference on Multidisciplinary and Current Educational Research (5th ICMCER – 2024). Conference Proceedings serve as a valuable record of the research and discussions that occurred during the 5th ICMCER – 2024 conference, providing insights into

current trends, innovations, and the future direction of multidisciplinary research studies and education.

On behalf of the organizing committee of the 5th ICMCER – 2024, the conference proceedings was released.

15. Valedictory Function

15.1 Conference - Conclusion Summary

The 5th ICMCER - 2024 conference, held on 11th & 12th March, 2024, Bangkok, Thailand organized by IFERP, brought together a diverse group of experts, practitioners, and enthusiasts from various fields. The central theme of the conference was " Transformative Learning for Sustainable Development: Insights from Multidisciplinary Research " and it successfully fostered a collaborative environment for sharing knowledge, insights, and advancements to achieve SDGs.

Key Highlights:

The conference commenced with an inspiring Guest of Honour Speech by Mr. A. Siddh Kumar Chhajer who emphasized the importance of Research & Innovation, conferences, collaboration and innovation. Keynote Speakers highlighted the recent breakthroughs and the potential for future developments in multidisciplinary areas.

Research Presentations:

Over 153 research papers were presented, covering a wide range of topics. These presentations showcased cutting-edge research and fostered lively discussions.

Networking Opportunities:

The conference facilitated numerous networking events, allowing attendees to connect with peers, potential collaborators, and industry leaders. The virtual and in-person networking sessions were particularly well-received, enhancing professional relationships and sparking new partnerships.

Achievements and Outcomes:

- Several new collaborative initiatives were announced, aiming to address global challenges. These initiatives will leverage the collective expertise and resources of participating organizations.
- Publication of Proceedings including the conference proceedings, including research papers and keynote addresses, will be published. Future Conferences: Plans for the next conference were discussed, with suggestions for topics and formats that could further enhance engagement and impact.

Closing Remarks:

In the closing session, IFERP expressed its gratitude to all the participants, academic partners, and organizers. IFERP highlighted the conference's success in achieving its objectives and underscored the importance of continued collaboration and innovation. Attendees left with a sense of accomplishment and a renewed commitment to advancing in their fields.

The conference concluded on a high note, with participants energized and motivated to apply the insights gained to their respective fields. The event not only celebrated current achievements but also set a forward-looking agenda for future research and development.

16. Vote of Thanks

Dear Researchers, Academicians & Students,

As we draw to the close of this remarkable 5th ICMCER conference, it is our honor and privilege to extend a vote of thanks on behalf of the organizing committee. Today has been a day filled with insights, inspiration, and invaluable networking opportunities, and none of this would have been possible without the collective efforts of many individuals and organizations.

Firstly, we would like to express our deepest gratitude to our esteemed speakers. Your expertise, thoughtful presentations, and engaging discussions have been the highlight of this conference. You have not only enlightened us with new knowledge but have also inspired us to think critically and creatively about the challenges and opportunities in our field.

A special thanks to our dedicated organizing committee and volunteers. Your hard work behind the scenes, meticulous planning, and tireless efforts have ensured that everything ran smoothly. Your passion and dedication are truly commendable, and this event could not have happened without you.

We are also grateful to our attendees. Your active participation, thoughtful questions, and enthusiastic engagement have added great value to this conference. It is your eagerness to learn and share that makes the events like this so rewarding and worthwhile.

We would like to acknowledge the venue staff for their excellent service and hospitality, providing us with a comfortable and conducive environment for our discussions and networking.

Finally, I want to thank everyone who has contributed, in big ways and small, to the success of this conference. Whether you were a speaker, sponsor, attendee, or volunteer, your involvement has been crucial.

As we conclude, let us take with us the knowledge we have gained, the connections we have made, and the inspiration to drive forward in our respective fields. We look forward to seeing you at future conferences and continuing these valuable conversations.

18. General Comments & Feedbacks

Overall Comments of the Participants:

- The conference was well-organized and provided valuable insights.
- The venue was convenient and comfortable, facilitating networking and learning.
- The keynote speakers were knowledgeable and engaging, offering fresh perspectives.
- Some sessions felt rushed; additional time for Q&A would be beneficial.
- The presentations were informative and aligned well with the conference theme.
- The networking sessions were effective, allowing attendees to connect with industry peers.
- It would be helpful to have more structured networking activities to encourage interaction among participants.
- Incorporate more interactive workshops and panel discussions to enhance participant engagement.
- Workshop and Panel Discussion was excellent and worth listening.
- Overall, the conference was a valuable experience, offering numerous learning and networking opportunities.
